Membership Application

User Account

Basic rules

Only persons studying or working at Umeå University or Swedish University of Agricultural Sciences has the right to become and be members in the computer association ACC. **Please write your Umu-id[1] username in the application**, eg. on the form `abcd0001@student.umu.se`. The membership fee is currently 50 SEK per semester. Payment is done to our "bankgiro" account: **5149-5331**. Please delay the payment until we have informed you using email that your account has been created and supplied you with an OCR reference.

- You are expected to read and follow the rules of SUNET[2], ACC rules and regulations[3] and the ACC policy[4].
- All commercial use of the computer or network resources of the association or the university is prohibited.
- Act in a way that won't embarrass yourself, the university or our association.
- Please make the world a better place by reading and following "The Net User Guidelines and Netiquette"[5].

The account

- Your account is personal and must not be used by anyone else.
- The system administrators of ACC has the right to, if a crime or regulation infringement is suspected or while trying to solve some system fault, without notification check the contents of the material you store on your account.
- Information that has been made publicly available (for example a home page) must not contain material that breaks current laws (for example copyright infringement, child pornography or racism) or material that people might find offensive (for example pornography).
- Publicly available information must not contain material that could harm the reputation of the association or the relationship with the authorities, university departments or similar.
- We publish a list of members on our homepage with a link to the members homepages, if they exist. If you don't want to appear in this list, contact us.

Consequences

- Other than punishment or fines according to Swedish or foreign law, your account may be disabled immediately if you break any of the rules above.

[1] Umu-id was previously called CAS-id
